

On Water and Water rights  
introduced by H. W. Brinkley of  
Fair Tasmania.

Article —

Sixty — Million three years after  
the adoption of this Constitution  
Every city in this State containing  
two thousand people or more, shall by  
Indemnification purchased or as appropri-  
ation and Construction, become  
the owner of water works and  
water rights sufficient to supply  
its population with good water.  
Provided — No city providing its  
supply of water or works by  
Indemnification or purchase, the  
sum paid for such works shall  
not exceed \$7,000,000 / Seven  
Million dollars.
